1. Colonel [REDACTED] telephoned to say that the [REDACTED] had informally 25X1C4a agreed to allow [REDACTED] to wear his uniform. Hence, unless they raise too many conditions on the arrangement it appears as though Bob would go ahead [REDACTED]

2. [REDACTED] called to say that a recommendation was coming up to the effect that the [REDACTED] be transferred to the 25X1A6a Office of Logistics. I told him that I doubted the wisdom of this but would look at the recommendation when I got it.

3. The General also advised me that he was going to work on a facsimile communications system with which we might communicate from 2430 "E" Street to the new building site. I assured him that I would be most anxious to see something like this worked out inasmuch as we might well have to leave a part of our personnel here.
